Alice Madness Returns X Reader Free Alice Madness Returns X Reader Download A quick note: This story will have an OC as the main character.. I then see the mottled and bruised face of a man with matted brown hair who, if he wasn't wearing a suit coat and pants blackened by grime, would probably look quite nice.. I finally uncurl when I feel something knobby poke me in the back I open my eyes to see a brick wall with several moldy spots in front of me, but not the source of the poking that now happens every few seconds.. It takes me a second to realize I'm lying on my side against a hard, broken surface.

I take a breath, and gag on a sour, smoky taste in the air My legs crouch into my chest as I try to block out any more of this air from entering my nose and mouth.. I specifically want to focus on the 'Alice: Madness Returns' game, and I apologize if this isn't what you want to read. [Download To View Setting Mac](#)

Second quick note: I have rated this story as 'M' because the actual games are Mature rated, containing violence and mature themes.. I also plan to include content that wasn't released in the official game in the story, mostly concerning Wonderland itself.. Hello, everyone This is a fanfiction I wanted to try, due to my appreciation of the American McGee games.. 216K 6 6K 4 4K Alice: Madness Returns like the original 2000 game release for PC that it is a sequel to, is a third-person, single player, action game that incorporates platforming and combat gameplay.. Now a DISCLAIMER: 'Alice: Madness Returns' is owned by Spicy Horse and Electronic Arts.. I feel like vomiting on the cold ground beneath me from the taste My stomach growls in either hunger pains, or a desire to empty its contents..
